Pastor Green's Daily Encouragement

Good Morning everyone, I pray that this message finds you safe and protected and well. Today marks the first Sunday in Advent. We begin preparing for the arrival of the Child of Bethlehem today. The greatest gift that the world has ever received came to us lowly, and born in a stable. What a wonderful blessing for all mankind, salvation found in a manger. As we inch ever closer to Christmas Day, always remember that the Baby born to bring us life was the same person Who grew up to die on the Cross to bring us the righteousness and forgiveness necessary for us to achieve eternal life. And that process began with the Child born to a virgin. When I suggest that we begin preparing for the arrival of Jesus at Christmas, I don't mean with cards, and lights and trees, I'm referring to a change of attitude, actually an attitude of gratitude. This is considered the giving season because of how much our Heavenly Father gave to us through the birth, life, death, and resurrection of His Son, our Savior Jesus. Our Lord came to us at Christmas, and He is returning. Be ever watchful and vigilant. Our Sunday Hymn of Praise is "Hark the Glad Sound." Advent is here, and so is the music of Advent. Peace and Joy to you. today, in Jesus' Holy Name. Amen.
