There's no place like home, there's no place like home; can you image what I could do if I had Ruby slippers? Let's not really examine that possibility. It is great to be home, in the familiarity of our own home. We set things up to make things the most adaptable for us. We chose furniture that is comfortable. We find bedding that is right for us. Even our shower is perfect for us. Traveling is great but it is always nice to return to what fits us and works the best for us. This is a perfect example of how our lives with God are, as He is is unchangeable. We are most comfortable in His presence because He knows exactly what we need, and He delivers those daily needs. We are always better off when we are in His care, and when He is guiding us and directing us, but only if we follow His lead. It is not helpful to be led by the Lord and still attempt to go our own ways. We don't know the proper ways, except for what Jesus told us in John 14:6, "I am the Way and the Truth and the Life and I am the only Way to the Father in Heaven." Don't try to find Heaven without Jesus, you can't get there without Him, no matter what you may have heard or read. There is but one way to the Father, and that is now and will always be through Jesus. Rest easy in that comfort today. Our song for this Marvelous Monday is "Speechless" by Steven Curtis Chapman. God's peace.
