As a new day dawns, I want to be the first kid on the block to say GOOD MORNING. We've all woken to a new day, and not just any day, but the Lord's Day. Just think, God took one day out of our week for us to rest and worship, and this is that day. It's my prayer for all of you that you find a Bible believing place to worship God today. If you don't have a place like that, then please accept my invitation to attend St. Paul Lutheran today. We'll be celebrating our God at 8:00 and 10:45 AM and again tomorrow night at 7:00 PM. That's right, we have a Monday evening service for those who have to work or just couldn't get up on Sunday. You are welcome. Other than getting yourself to church today, I pray that the remainder of your day will be restful and refreshing. With everything happening in the world right now, we can all use a break. Do yourselves a favor, stay away from the television for a day, that will help the relaxing portion of the day. Who can relax with all of the trouble surrounding us, so don't give yourselves more reasons not to find peace of mind. I will find my peace today in the words of Jesus, and in worshiping with my brothers and sisters at St. Paul. It is the very best way to start a new week. Our song for this Sunday morning is "You Are My King" as recorded by the Newsboys. Stop in to St. Paul and you can hear/sing it again today. Have a super, swell Sunday in the name of the Lord.
