A great good morning to everyone today. It's a whole new day to receive the blessings from God.. I have no idea what is coming to me today but I trust in Him. His mercies will be new, His goodness will be a continuation of all of the blessings that He provides daily. We are so blessed that we have a God Who loves us, Who provides for us, and Who offers us eternal life through His Son, our Savior Jesus. If we do something wrong today, He still loves us and cares for us and most importantly, He still forgives us. That forgiveness is worth more than any treasures on Earth, because Earthly treasures cannot buy us eternal bliss, only the death and resurrection of Jesus opens the door to the Kingdom of Heaven. My hope is in the treasure that came to the world in the form of a baby in Bethlehem two thousand years ago, then died a most gruesome death for us on a Cross in Jerusalem thirty three years later. He is the greatest gift the world has ever or will ever experience. Don't place your faith anywhere but in Him. Our song for this fabulous Friday is "Set Me Free" by Bradley Bridges. Have wonderful start to your weekend.
