Hello friends, it is Sunday, and not a moment too soon. Sunday is always a great day because we have another opportunity to see our friends and family in Christ. It's always great to be in God's house, in His presence, to offer our prayers and praise to Him. What else can you possibly do today that brings about the benefits that being in worship does? If you're searching for an answer, you can stop, it's a trick question, nothing provides the blessings and benefits that being in worship does. As for me, I am blessed to be able to see my brothers and sisters in Christ this morning. They provide me with a wonderful beginning to my day. Every day that starts with the Lord, in His house is going to be a great one. So where would you rather be this morning? Staying home and worshiping at St. Sealy & Simmons, or in God's sanctuary, where He and His Son will be? I'll be choosing church, and I'll be making the correct choice. I pray that you do the same today. Our hymn for this Sunday morning is "Come, Now is the Time to Worship" by Brian Doerksen and Wendy Whitehead. Have a great day.
