Thanking God that it is Friday. In fact I thanked Him for Saturday through Thursday as well. Life is always easier to manage when we have an attitude of gratitude, especially in regards to all that our Heavenly Father provides for us. That would be everything good in our lives, because goodness comes directly from Him. If we are grateful, then we should always let Him know, and ask Him to forgive us for the times that we forget and take His blessings for granted. Nothing in life is promised, except eternal life found in our faith in His Son, our Savior Jesus. In Christ I am most grateful and thankful. Without His love and mercy, I wouldn't have a prayer, with Him in my life, I am given everything, including the keys to Heaven. How wonderful is that going to be? Have yourselves a most fantastic Friday in the name that is above all names, Jesus Christ the Lord. Phillips, Craig, & Dean are singing our song today, and it is titled "Revelation Song." St. Paul folks should study the verses a little so you'll be familiar with them on Sunday, just saying. Have a Happy, super day.
