Good morning everyone, especially the Veterans among us. Today is Veteran's Day and it is a day for us to remember and be thankful for the service of so many who have helped us gain and preserve the wonderful blessings of freedom. We are blessed by your service to this country. Jesus said "Blessed are the peacemakers for they shall be called Sons of God." Our Savior and our Veterans have provided our peace, be grateful, not only today, but everyday that we wake to freedom. Jesus was our ultimate peacemaker, and He never lifted a finger in battle, instead, He died for us. What a great day to wake up in His love, His grace, and His mercy. If Jesus is for us, who can stand against us? Thank You Lord! If you were given a day off from work today to commemorate this national holiday, take a moment from your day to honor those who are the reason for this annual event, then give praise, honor, and glory to the One Who created our brave Veterans. Our song for this Veteran's Day is "Amazing Grace" that works well with today's video remembrance.
