A most blessed Thanksgiving Day to everyone. I pray that you would take a moment to thank God for the things that you are thankful today. My short list is Faith, Forgiveness, Family, Friends. Did you notice anything about my list that illustrates the reason for this day? Yes, everything on the list is a gift from God, and I am indeed grateful and thankful for that. He has been so very good to us, and even in the most challenging of times, He is with us. The Light of Life, the Light of the World is guiding and directing us to a future that we can only find in Him. Never forget that and never take it for granted, He is the Way, the Truth, and the Life and He is the only way to the Father in Heaven. Thank You Lord Jesus. Many of you will share something with your family that you are especially thankful for today. I'm asking you to share something on this post right now that you are thankful for. It can be one word, or many. Have a tremendous Thanksgiving Day with your loved ones today. God bless you all. Our Thanksgiving song is a great choir piece that our St. Paul Choir sang last night in our Thanksgiving worship. It is called "I Thank You Lord." Peace and Joy to you.
